

Subject: External Kit Box Color and Information Change

Effective Date: July 22, 2015

Products Affected: All Fragment Analyzer™ External Kit Boxes as of July 22, 2015

Dear Customer,

We are contacting you to let you know that we have made a change to the Fragment Analyzer™ external kit box coloring and information. The kit box color scheme has been updated to reflect updates to our marketing materials, while the phone number and fax number have been updated to the new relocated Ankeny site numbers.

Please know that the formulations of the kit box components have not changed, only the external coloring and contact information of the kit box have been modified for the Fragment Analyzer™ products.

Please contact AATI Technical Support with any questions; 515-296-6600 (current Ames site), 515-964-8500 (new Ankeny site) or support@aati-us.com.

Thank you,

AATI Customer Service Team
